Billy Macarius Sidhunata

Jakarta, Indonesia | billyms1203@gmail.com | +62 87782236863 | LinkedIn : Billy Macarius Sidhunata

Information Systems student with strong interest in software quality assurance, system testing, and process improvement. Experienced in documenting test results, supporting SIT activities, and building automated workflows using KNIME and Microsoft Power Platform. Familiar with SQL and Python for validating and cleaning data used in test scenarios. Passionate about ensuring system reliability and continuous improvement in development processes.

Education

ATMA JAYA CATHOLIC UNIVERSITY OF INDONESIA - Jakarta, Indonesia   August 2021 – January 2025
GPA: 3.88 / 4.00. Bachelor's Degree in Information System with Specialization in Software Engineering

CANISIUS COLLEGE - Jakarta, Indonesia   August 2018 – April 2021
GPA: 84.87%. Science Program.

Professional Experience

PT Tunas Ridean. - Jakarta, Indonesia   March 2025 - July 2025
Data Analyst Intern
- Performed workload analysis to understand task complexity and manual effort, which contributed to testing scope and validation planning.
- Used KNIME to automate and validate data workflows, improving consistency and reducing risk of human error.
- Ensured data output aligned with accounting standards, supporting accurate reconciliation and reporting.

PT Bank Central Asia. - Jakarta, Indonesia   February 2024 – February 2025
Business Analyst Intern
- Gathered and analyzed business requirements for internal applications, supporting accurate functional specifications for QA testing.
- Collaborated with development and QA teams to clarify test cases based on business logic.
- Maintained and optimized Power Platform workflows, ensuring operational reliability and stability before deployment.

Staditek. - Jakarta, Indonesia   September 2022 – November 2022
Assistant Trainer
Prepare instructional materials for training sessions and provide guidance throughout the learning process for training participants.

Lawencon International. - Jakarta, Indonesia   August 2022 – October 2022
Quality Assurance
Documented System Integration Testing (SIT) results of application feature under development process

Organizational Experience

Faculty of Engineering Student Senate – Jakarta, Indonesia   July 2023 – December 2024
Secretary
Coordinate the submission of activity proposals, accountability reports, and other supporting documents to the university.

Interests, and Skills

Interests: Software Testing, Quality Assurance, Test Automation, System Reliability, Learning New Tools, Debugging, Cooking

Technical Skills:

- **Testing & QA:** SIT documentation, Test case review, Bug reporting
- **Automation Tools:** KNIME, Microsoft Power Automate, Power Apps
- **Programming/Scripting:** SQL, Python, JavaScript
- **Web Basics:** HTML, CSS
- **Productivity:** Microsoft Excel, Word

Language Skills: Indonesian (Native), English (CEFR B2)
